

The Primary PE and sport premium

Planning, reporting and evaluating website tool

Updated September 2023

Commissioned by

Department
for Education

Created by

This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2025.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2023/2024)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
<ul style="list-style-type: none"> • Introduced the new PEAL PE scheme across the school to replace previous Val Sabin scheme. • All teachers trained on how to use REAL PE scheme through both scheme platform and Staff CPD led by PE Lead. • All year groups took part in 1x block of Beach School Sessions and 2x blocks of Forest School. • Collaborated with Locality Schools to set fixtures and sports events for intra-school competitions. • Attended sports fixtures (primarily at the Angmering High School) • A variety of Sports Clubs (before and after school) provided for children to join. • School Council organised a sponsored Football Skills event to raise money for new Playground equipment in addition to Sports Premium money. • New Basket Ball / Football Goal installed at the end of the playground. • Whole School Sports Day held during Sports Week. • Positive Play lunchtime set up to provide a variety of 	<ul style="list-style-type: none"> • New REAL PE scheme has been a vast improvement on the outdated Val Sabin scheme with increased levels of participation, engagement and enjoyment seen across the school as well as improved understanding and application of learning outcomes. • Teachers are more confident & knowledgeable in the delivery of high-quality lessons. • Teachers feel more confident in their delivery of PE lessons and are able to refer to skills videos that explicitly demonstrate the key fundamental movement skill being covered in that lesson. • REAL PE scheme also provides differentiation of skills so that Teachers can better target / provide appropriate support / challenge for children during their lessons. • Engagement in PE lessons has improved with far less children refusing to engage with lesson content / PE / physical activity. • Pupil surveys showed that children had greater 	<ul style="list-style-type: none"> • New scheme has improved pupil engagement and enjoyment with PE lessons. REAL PE also offer a home learning app that ties in with the current learning taking place at school (Bursts App). For the coming year, investing in this would provide children the opportunity to keep practicing their fundamental movement skills at home whilst also ensuring they take part in physical activity away from school. • With structured games at play times and lunch times, teachers have reported that children come back in from playtimes more focused and ready to learn. • Pupils have shown excellent progress in the variety of skills & subject specific knowledge during lessons. Pupils are able to articulate their learning during observations / learning walks. • Pupils have expressed their enjoyment at being able to take part in Locality Sports events and have shown desire to become more involved in

<p>engaging activities for children to participate in during their lunch-play.</p>	<p>enjoyment of their PE lessons and were far more aware of the key skill they were learning.</p> <ul style="list-style-type: none"> • This led to teachers stating that there was greater improvement in outcomes for children with the development of their key skills. • Children talked positively about lunchtime play and enjoyed participating in the organised games / activities. • There has been an increase in the levels of physical activity on display during lunch-play. Development of fundamental movement skills, social skills and knowledge of new games has increased with the support of MDM team. • Further opportunities to participate in a form of physical activity through before and after school clubs has been utilised by lots of children. • Children have experienced playing sport at a competitive level against other schools in the area. This has impacted their development of teamwork and life skills e.g. resilience. • New Basket Ball / Football goal has helped add more possible activities to be enjoyed during lunch-play whilst also making sure that the sports games do not encroach across the whole playground area (previously this could cause injury to other children). • Teachers and MDM staff reporting that they are having far less friendship / behavior issues to sort out during the afternoon period as children are engaged with Positive Play activities. • Teachers have also reported that due to the greater structure and support provided by Positive Play children are coming back to class with better focus and are ready to learn. • Whole school sports day / Sports Week raised awareness of the sport and allowed children to compete in colour teams promoting team work and competitiveness. 	<p>future events as they move up through the school.</p> <ul style="list-style-type: none"> • Noticeable positive difference in targeted pupils' self-esteem and social skills through both REAL PE lessons and Positive Play at lunch-time.

Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
<ul style="list-style-type: none"> • REAL PE scheme fully embedded across the school • Continued high attendance & engagement in after school sports clubs. • External professionals have delivered high quality sports clubs for the school. • National Sports Week and mental health workshops were celebrated across the school. • All pupils participated in outdoor learning via Beach School or Forest School Sessions. • KS1 children were provided many opportunities throughout the year to take part in intra-school competition events with other locality schools including 4-Square, Football, End Zone, Boccia and Multi-Skills. 	<ul style="list-style-type: none"> • All children are fully engaged in regular physical activity. • Increased opportunities for pupils to access extra-curricular sporting activities. • Increased teacher confidence when delivering lessons. • Increased exposure to a range of sporting & creative physical activities ie: dance, athletics, karate. • Increased awareness about the importance of how to maintain a healthy lifestyle. • Pupils gained further confidence & were able to develop new skills. • Pupils gained further self- confidence and were able to play at a competitive level. 	<ul style="list-style-type: none"> • All pupils have increased participation in daily exercise. • Pupils have continued regular engagement in physical activity. • Teachers are able to deliver high quality PE lesson which focus on the development of specific Fundamental Movement skills. • As a result of this exposure many pupils went onto to join clubs outside of school i.e. karate • All pupils are equipped to utilise the strategies learnt in everyday life. • All pupils benefitted holistically. • Increase in pupil self-esteem & confidence.

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study
