

# Reception – Knowledge Organiser

## Cross-curricular – Autumn Term 2

### How to Catch a Star

## Key Vocabulary:

safe	balance	land
celebration	jump	star
Christmas	Diwali	planet
moon	program	winter

### The Rights of the Child:

Learning about our rights and our families.  
Every child has the right to a legal name, nationality and family ties.

### Milestones:

I will be able to talk about staying safe – especially around fireworks.

I will be able to discuss celebrations that myself and others participate in.

I will be able to join in discussions about stars and space.

I will be able to develop my jumping, landing and balancing skills.

I will be able to share in a celebration with my friends and people around me.

I will be able to explore materials in order to create artwork.

I will be able to explore new technologies such as Beebots.

Sun

Mercury Venus Earth Mars Jupiter Saturn Uranus Neptune

**Beebots** are robots that can follow instructions that are **programmed** into them. *Perhaps you could practise by giving your child a set of three instructions and observing if they remember them!*

**Diwali** – Hindu festival of lights  
Sunday 31st October 2024

**Hannukah** – Jewish festival commemorating the recovery of Jerusalem  
25th December 2024 – 2nd January 2025

**Christmas** – Christian festival celebrating the birth of Jesus Christ  
Wednesday 25th December 2024
