

YEAR 2 LIGHTHOUSES

AND

STORMS

IN HISTORY AUTUMN 1

Prior Learning

I can sequence events in chronological order.

I can use key vocabulary when discussing key events

I can recall some facts about people/events from beyond living memory

I have begun to give an opinion e.g. saying why people have acted the way they did

I have begun to use books, videos, photographs, pictures and artefacts to support them with their historical understanding.

Milestones

I will understand and use key vocabulary when talking about significant events.

I will be able to use information to describe significant events from the past

I will be able to describe the differences between then and now

I will use further sources to deepen my historical understanding further

I will identify the different ways the past is represented and ask questions about the past.

Key vocabulary

Victorian- a person who lived during the Victorian period (1837-1901).

Storms- a violent disturbance of the atmosphere with strong winds and usually rain, thunder, lightning or snow.

Lighthouse- a tower or other structure containing a beacon light to warn or guide ships at sea.

Survivors- people remaining alive after an event in which others have died.

Coble- a flat-bottomed fishing boat
